Light base – absolute white base for coloring light shades

Dark base – transparent base for coloring dark and bright shades

- Type of preparation surface the same for painting. We recommend to use ORSO INFINITY plaster for finish preparation of walls. Recommended fixative is acrylic based PRIMER NORMAL.
- \*\* PRIMER LISCIO special tintable primer as a background providing reduced absorption of surfaces and easy adhesion for subsequent coatings. Could be tinted in different colors.
- \*\*\* SPECCHIO CERA is a special wax protection for getting the best water resistant properties of surfaces.
